GENERAL RULES

1. No alcoholic beverages will be allowed.
2. RPM limits vary by class. Please, see individual class rules for limits.
3. All tractor classes are limited to a single turbo.
4. All minors must have written consent of parent or guardian and must be at least 17 years of age to pull.
5. All entries must be made at the judges stand at least one half-hour (½) before the class starts.
6. Only two (2) drivers allowed per tractor/truck and drivers must remain seated while pulling and retain one (1) hand on the steering wheel at all times.
7. All classes will have a floating finish.
8. Pull with begin with a tight chain.
9. Tractors/Trucks are limited to one (1) place pay-out, highest finish will be paid.
10. Clevis/Hitch must have a minimum 3½ inch opening.
11. The first driver in each class has the option to drop to the third position.
12. At the conclusion of each individual's pull, they shall cross the scales for an official weight. Scales will be located at the pull site. An optional weigh-in for each tractor will be allowed prior to each entry in each class, but will not be consider an official weight.
13. All tractor/trucks must be in neutral or park while being hooked to or unhooked from the sled.
14. Any part of the tractor/truck that comes off and falls to the ground, or has excessive fluid loss while hooked to the sled, will be automatically disqualified.
15. Pulling positions will be determined by draw before each class starts.
16. Tractors must maintain stock appearance.
17. Stationary draw bar is to be 20 inches or less without weight transfer or hydraulic assist.
18. Hitch point must measure a minimum 18 inches from center of the rear axle.
19. **Exhaust must exit upward and all tractors with turbos and no muffler must have cross bolts in the straight pipe. If curved pipe, must point straight forward.**
20. If 4-wheel (MFWD or HFWD) drive tractors are to pull, they must drop front drive shaft or show judges that the switch is secured so the front wheels cannot be engaged.
21. If any weights are hung on the three (3) point hitch, hitch must stay in the up position and not interfere with hooking and unhooking.
22. Safety is very important!
23. Judges' decisions are final. Judges' have the right to stop and/or disqualify any contestant if a tractor/truck is being operated in an unsafe manner or if cheating is suspected.
